

7 DAY WOUND BANDAGE

2X2 NSN: 65 10-01-585-7743

3X3 NSN: 65 10-01-585-7768

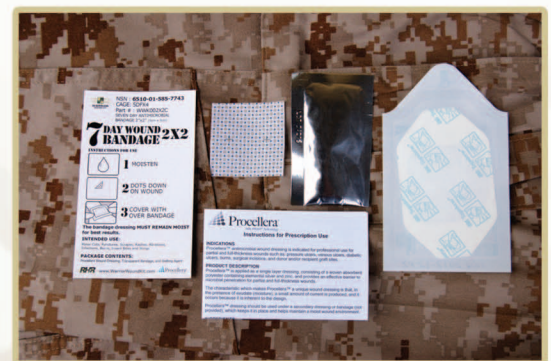

Welcome to the future of wound care.
Healing is Believing

WWW.WARRIORWOUNDKIT.COM

The 7 Day Wound Bandage is field deployable, long lasting and easy to use.

- *The 7 Day Wound Bandage is a FORCE MULTIPLIER- Keeps the Warrior in the FIGHT
- * The Bandage is reported to REDUCE PAIN on contact. On a pain scale of 1-10, pain that was registered as an 8 was reported to be brought below a 1 when bandage was applied (VA) and a reduction of narcotic use was seen.
- * The bandage KILLS Bacteria: MRSA, Acetobacter bacteria (found in Afghanistan and Iraq), A. baumannii, VR E. faecalis, P. aeruginosa, P.acnes, K.pneumoniae, S.aureus, S. pneumoniae, S.pyogenes, E.coli, C.xerosis, VARICELLA, HERPES SIMPLEX, REOVIRUS...
- * The bandage KILLS Fungus/Mold/Yeast: T. rubrum, C.albicans, T.mentagrophytes, A.niger, T.asahi/inkin...
- *Increases Survivability- light weight-less than an ounce and one bandage provides protection for the warrior for 7 days.
- * The Bandage has no expiration date-stable in all environments, just keep moist. Fits in the ACU pocket. 30 seconds or less to apply.
- * It is reported that the bandage helps speed healing of the wound by up to 50%.
